

Christmas Gifts in 2011

giving deadlines & tax information

Many of you send a special personal **Christmas gift** to our missionaries. In order for the missionaries to receive their gifts in time to use for Christmas, we must receive them no later than **November 10, 2011**. To help us credit the missionaries correctly, be sure to state your intention by marking the gift clearly as a “Christmas Gift”.

{Please remember that “Christmas Gifts” are not tax deductible.}
