Mentalizing Saints Principles

Encourage

Print enough of page one for everyone in class to have a copy.

Print one copy of this page.

Pray

Cut out the six words on the left and place around the room—some in obvious spots, some in not so obvious spots. (Behind a curtain, under a table, upside down, etc.)

Caring

Use the Power Point slides to explain what to do (go around the room in dyads—two by two—with your worksheets and look for the ‘missing words’). When you find a word, be sure to leave it exactly as you found it (behind the curtain, under the table, upside down, etc.).
