

# Lesson 4—Part 2

## Mentalizing Principles Puzzles

1. Print as many pages as you have table groups (This file already contains enough for three tables.)
2. Cut the principles up by words.
3. Put them in baggies.
4. Hand out a baggie to each table.
5. Have table groups put the words together to form the ***Mentalizing Saints*** principles we learned last week.
6. Play lively non-descript (no words and not familiar to the people) music while they are putting the three principles together.
7. Each principle is made up of a different color. If participants don't figure this out early on, give them the hint.
8. Have the groups check their answers with the next slide.

**Treat disciples and trainees as vital,**

**important to the work, even as equals.**

**Encourage your people; tell them for what**

**you are thankful in their lives.**

**Pray for your trainees and let them**

**know of prayers.**
