

Review Titus 3:5-7 by singing the song.

Listen for what you might learn or are reminded about God from the narrative based on Genesis 1:1-2; Exodus 3; Psalm 50; 146:6; Job 41:11; John 1; Acts 17; Romans 11:35-36; 2 Cor. 13:14.

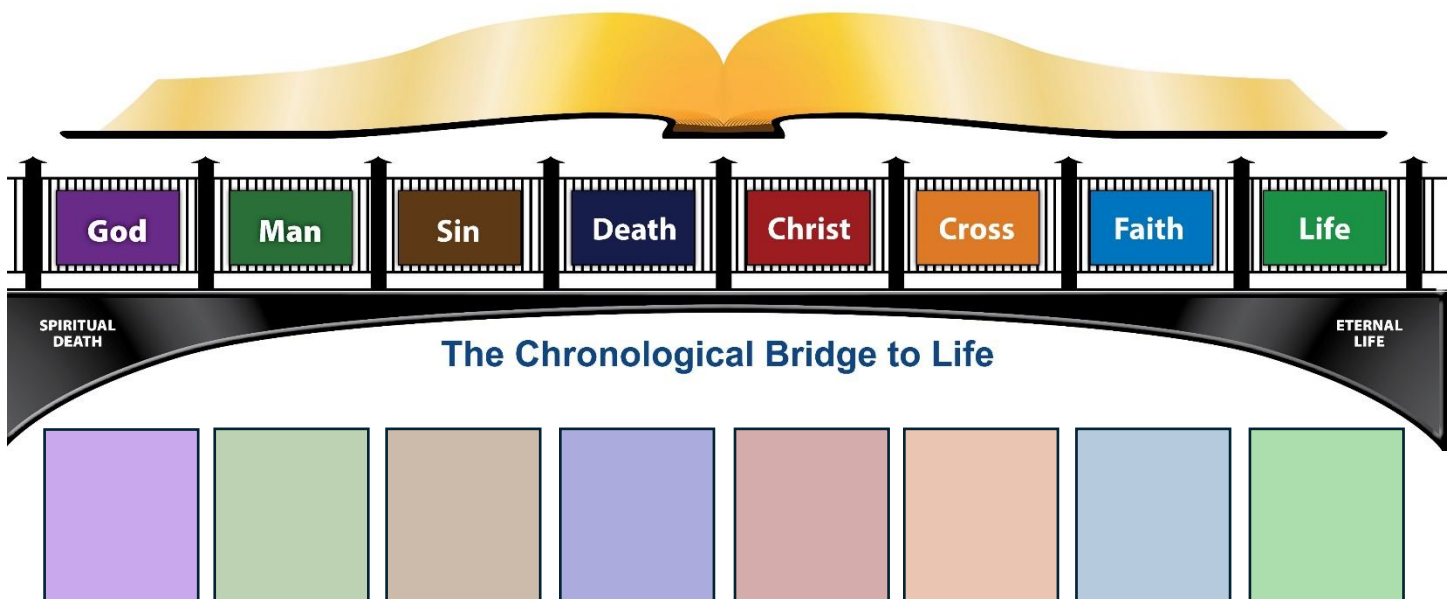

02

Who is God and Who am I?

What did you learn or were you reminded about God?

What do you know/remember about these concepts?

Produce at least one Scripture verse for each:

Based on what you reviewed about God and about yourself (as part of humankind) how should you respond to God today as you move past this study?

How should these truths change the way you relate to people?

Realizing that it is God who moves people along in this process and remembering all we reviewed about God, what should we do as we begin to be disciple-makers?

Memorize Ephesians 4:1-2 this week.
