## Spiritual Warfare!

BUILDING A BIBLICAL THEOLOGY OF SPIRITUAL WARFARE OT

Part 1

What are God's  
Actions?

What are People's Actions?

What are Satan's Actions?

What are the key points you would put into your theology based on these passages?

Consider these points:

1. Spiritual warfare is portrayed as a c\_\_\_\_\_ battle in which Satan opposes the plan and purposes of God.
2. This is not a battle for p\_\_\_\_\_ but for human allegiance. The battleground is your mind and heart for your obedience and trust.
3. Satan uses the r\_\_\_\_\_ of God to argue against the people of God.
4. These passages demonstrate that the Lord is s\_\_\_\_\_ over Satan and evil spirits. They do His bidding. The conflict is not u\_\_\_\_\_.
5. People are affected by, but not directly i\_\_\_\_\_ in this supernatural discourse.

**Memorize Ephesians 6:13.** (ESV) *“Therefore take up the whole armor of God, that you may be able to withstand in the evil day, and having done all, to stand firm.”*

Many of us make “To Do” lists—tasks that are important to us, so that we will not forget to do them. No tasks are eternally more important than sharing the gospel with our unsaved friends, family members, and other acquaintances or assisting Christian friends who need to be encouraged and mentored in maturing as followers of Jesus Christ.

Our Good Soil **Personal E-List and D-List Card** was created to help us keep our focus on these two Great Commission tasks.

### How to use the E-List Side of the Card

**First**, think of a person that have some kind of relationship with whom you think is probably not a believer in Jesus Christ—a friend, relative, work colleague, frequent casual contact such as a salesperson, barber, hair stylist, waitress, etc.

**Second**, based on what you know about that person, try to determine (as best you can) where you think he or she is on the “Vertical Dimension of the Scale—the level of his or her understanding of the biblical gospel.

**Third**, do the same thing for your perception of his or her receptivity to the gospel. That’s the “Horizontal Dimension of the Scale.”

**Fourth**, locate the cell in this grid where those two come together—level of understanding and degree of receptivity. Write the person’s initials in that cell.

**Fifth**, add names of other unsaved contacts (up to five) and follow the same procedure for each.

**Sixth**, us this card as a reminder to pray for these friends and for opportunities to share Christ with them.

### How to use the D-List Side of the Card

Follow a similar procedure for your D-List (other side of the card)—names of people you know who are, to your knowledge, true Christians but need to be discipled. The “Vertical” dimension here is spiritual **maturity**. And the “Horizontal” dimension is **involvement** in church and ministry.

*Developing Your Personal E-List and D-List*  
Create your personal E-List and D-List. Using the appropriate E-List or D-List number for each person, indicate approximately where he/she is in the E-Matrix or D-Matrix.
